REPORT STATUS ICONS

= NightRays case

= DayRays case

(blinking) = Converted to STAT

= Dictated but not
viewed online

= Unrecognized modality

= Dictated and viewed online

= Dictated and sent to Editor

= Reviewed by Editor and
ready for signing

= Late

= Patient paperwork
submitted

PRELIMINARY REPORT SCORING

- NO EVALUATION: no online review
- (F6) BASIC AGREEMENT: no significant disagreement. Subtle recommendations or suggestions
- (F7) MINOR DISCREPANCY: **minor** difference of opinion regarding the significant findings of **minor** influence on the patient's care
- (F8) MAJOR DISCREPANCY: **major** difference of opinion regarding the significant findings of **major** influence on the patient's care

(A comment is required to issue a minor or major discrepancy, a comment is optional with basic agreement.)
